

## TEACHING ARTIST POSITIONS & SCHEDULES 2015-2016

Miami Music Project is currently looking for talented teaching artists in the categories listed on the next few pages. One position is equivalent to the entire line of scheduling. You may combine two or more positions if you are qualified for two or more positions, *and* if the schedule is conducive to the combination.

If you desire to apply for more than one position, you may have to come in for more than one group interview. You will be contacted via phone call and email if you have made it as a finalist to the group interview process, that will take place in the 3rd and 4th week of July 2015.
